We are committed to supplying our customers with the kind of quality commo equipment we would want on the battlefield. Our staff of retired and semi-retired Special Operations soldiers are operators first and foremost. We understand your mission sets and can discuss equipment advantages and disadvantages as they pertain to real-world combat environments. In addition to our own line of SATCOM antennas, accessory kits and distributorship of the new SWIPES system, we are a leading distributor of high-end commo gear from such companies as:

- Thales
- Motorola
- Trivec
- Iridium
- Shakespeare
- Syntonics
- And More!
